### **Sponsorship at Intermedium's NSW budget briefing for the 2025-26 financial year provides an exciting range of benefits.**

The public sector is a hugely important market for most ICT suppliers, but marketing to its typically sales-averse decision makers is challenging.

We can help get around this difficulty. At this briefing, your company will be profiled to some of the most important senior decision makers in NSW government:

- Senior Executive Service-level keynote speaker/fireside chat guest and panellists (names to be announced shortly)
- The public servant guests your sales professionals can invite to your table
- The public servant guests at other tables, including those at your competitors' tables

Intermedium will also provide its comprehensive analysis of the ICDT and digital implications of the 2025-26 budget, making attendance from the public sector a must at this briefing.

Your partners and prospective partners are also likely to be in attendance, as will many other ICT companies providing goods and services to the NSW government.

With 100 seats available, this event will be sold out.
